

# Holiday Stars Project

The Holiday Stars Project was started in the 1990s and provided a great need in our community—a place to remember or honor those whose lives were affected by cancer. Charlotte Skiff, a dedicated Auxiliary and community member, was instrumental in starting the program and for many years, you could find

Charlotte hanging Stars in our hospital's reception area during the holiday season. Sadly, Charlotte lost her hard-fought battle with cancer in November 2014, but the Holiday Stars Project is a way for us to remember her nurturing spirit—a spirit that always reminded us that no one is alone when battling and/or recovering from cancer. *We are all in this together!*

## Holiday Stars are available through December 23, 2024

### To Purchase a Star

Contact Mariah Cormier at 801.8003 or [mariah.cormier@mdihospital.org](mailto:mariah.cormier@mdihospital.org)

An acknowledgment note can be sent to the family of the person being remembered or honored. Proceeds from the sale of the Stars will support MDI Hospital's palliative care program. Fabric crafted stars are available as a memento of your gift. Paper stars with names of those being honored will be displayed at the Hospital.

---

Please complete the form below and return it by Thursday, December 21st, accompanied by a check made payable to: **MDI Hospital, PO Box 8, Bar Harbor, ME 04609-0008**

I would like to purchase \_\_\_\_\_ Star(s) @ \$10.00 each
